THE SECRET TO THICK HAIR

Here's how to fake full, voluminous locks fast!

Big, bouncy hair is trending, but many women have naturally fine hair or experience hair thinning with age. We've gathered the best new hair boosting products to get your strands looking their best!

Root booster

Design.Me Puff.Me Volumizing Cloud Mist \$27.95

Lightweight powders are great to help boost hair at the root. Puff this translucent formula on your dry or damp roots. Rub it in and watch your hair get bigger. Great for an updo!

Hit the shower

Nick Chavez Advanced Plump 'N Thick Shampoo \$39.95 and Conditioner \$42.95

A thickening shampoo and conditioner is a great place to start. This plumping combo by LA's most sought-after hairstylist combines collagen, botanicals and antioxidants to fatten, strengthen and enrich hair, adding body to every strand.

You too can have full hair like Sandra's!

silica, zinc, copper and iron, these tablets can help strengthen hair follicles and increase shine, while helping skin and nails. What are you waiting for?

from mid-lengths to ends before styling to help temporarily make fine hair feel thicker.

Treat & repeat!

Bondi Boost Hair Growth Intensive Spray \$29.95 Try this highly concentrated leave-in formula containing a cocktail of essential oils to help thinning hair feel thicker. Simply spritz on dry or damp hair and massage in.

Pop a pill

Vida Glow Collagen Support+ \$59.95 (60 tablets) Thanks to a combination of collagen, vitamin C for collagen absorption, biotin,

Spritz & go!

Trevor Sorbie Thicker & Fuller Thickening Treatment \$14.99 Not just for your scalp, this spray should be spritzed in damp hair

DID YOU KNOW?

ABOUT 76 PER CENT OF AUSSIE WOMEN EXPERIENCE THINNING HAIR.

3 of the BEST

PRODUCTS THAT GIVE BACK!

1 Davines Love Curl Conditioner \$37.95 A big advocate for sustainable beauty, Davines cares for the environment, creating zero impact products and salons plus 100 per cent eco-packaging, which it encourages to repurpose. All this makes it easy to take a step towards sustainable beauty.

1

2 Kevin Murphy Leave In Repair \$49.95 The PETA-approved bottles are made from fully recycled ocean plastics. Kevin Murphy aids causes focused on human and environmental issues like The Climate Reality Project, Wings of Karen and Culture is Life.

2

3 Burt's Bees Limited Edition Strawberry Lip Balm \$6.99 No bees, no us is pretty much the truth. As a part of Burt's Bees' #bringbackthebees campaign, every limited-edition strawberry lip balm sold will see \$1 donated to the When Bee Foundation, which raises funds for research into the plight of bees.
